

# Jesus Calms the Sea

## Supplies Required

Markers or crayons

Blank white paper

Variety of blue paper

Popsicle sticks or pencil

Pictures of Jesus and disciples in the boat

**Templates available for download online or pickup a pack of supplies at Kingsway.**

Cut the blue papers to make two sizes of ocean waves. Glue the larger wave to the white paper provided. Glue the side of the larger wave only to the larger wave leaving the horizontal edge open so the popsicle stick can slide back and forth between the two waves. Colour and cut out the picture of the disciples and Jesus in the boat. Glue picture to the popsicle stick. Draw clouds, rain and lightening in the sky. Insert the popsicle stick in between the waves and make the boat ride the waves of the storm by moving the end of the stick.

## Conversation Starters

~What do you love most about you?~

~If you could ask God one question, what would it be?

~What kind of family do you want to have for yourself one day?

~what do you think about when you think of heaven?

~What's your favourite family activity?

~What is your favourite bible story?

~What's the best thing about being a kid?

## This Week

1. Make a prayer pail (using an empty jar or plastic container), decorate with stickers, pretty paper, ribbon. Write prayer suggestions on paper or popsicle sticks to place inside. Use as a reminder of what/who to pray for during this week.
2. Use the enclosed Coat of Arms Shield or Gaurd Dog Doodle pages to help your child navigate through some of the fears/worries they may be experiencing because of the COVID-19.
3. Check our Right Now Media. Choose from a large selection of movies, sing along shows or video devotional and lessons. If you don't have access to Right Now Media...just go to [Kingswaychurch.ca](http://Kingswaychurch.ca) to sign up for free.
4. Skype or FaceTime an elderly relative, friend or neighbour who is living alone. Bring a little sunshine into their lives.
5. Spring clean your house. Have the kids get involved by cleaning their bedrooms and toy rooms and putting aside toys and craft supplies they no longer use. Give them away after the quarantine is over.
6. Check out Focus on the Family free trial of Adventures in Odyssey at [aioclub.org](http://aioclub.org)

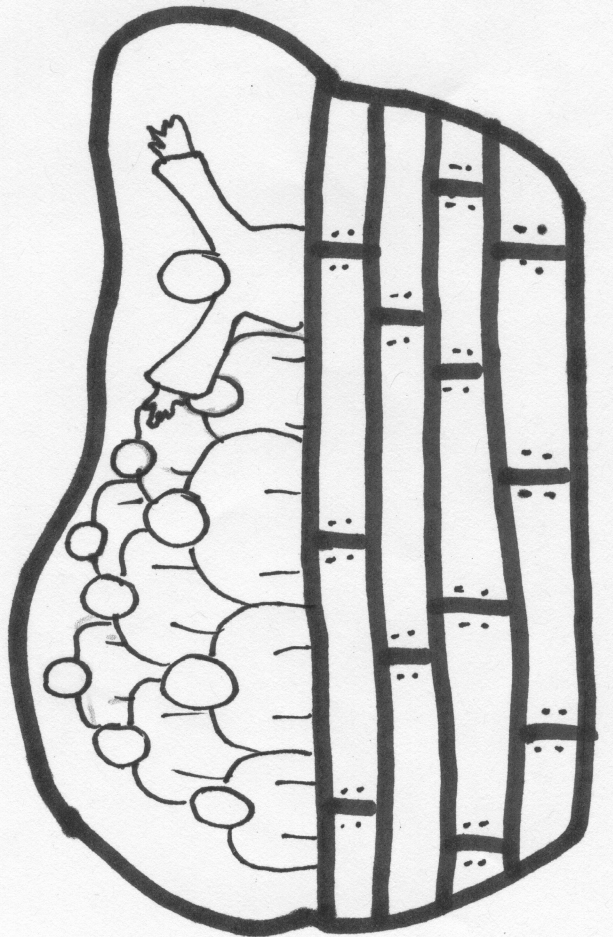

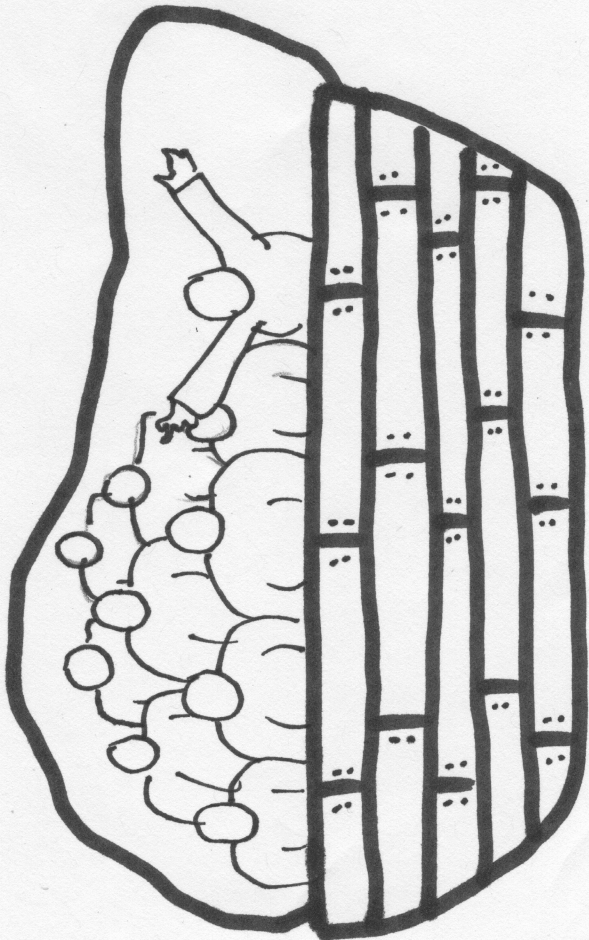

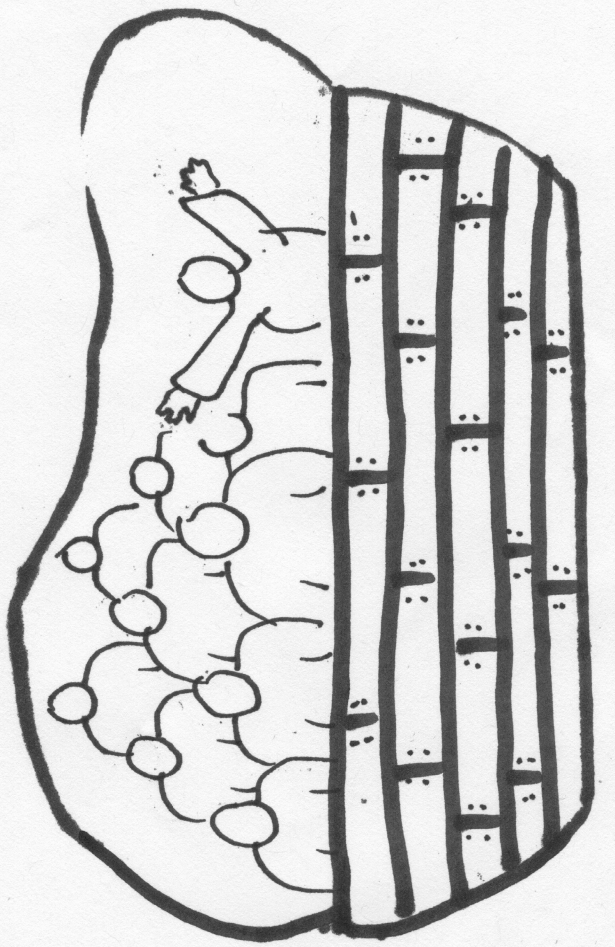

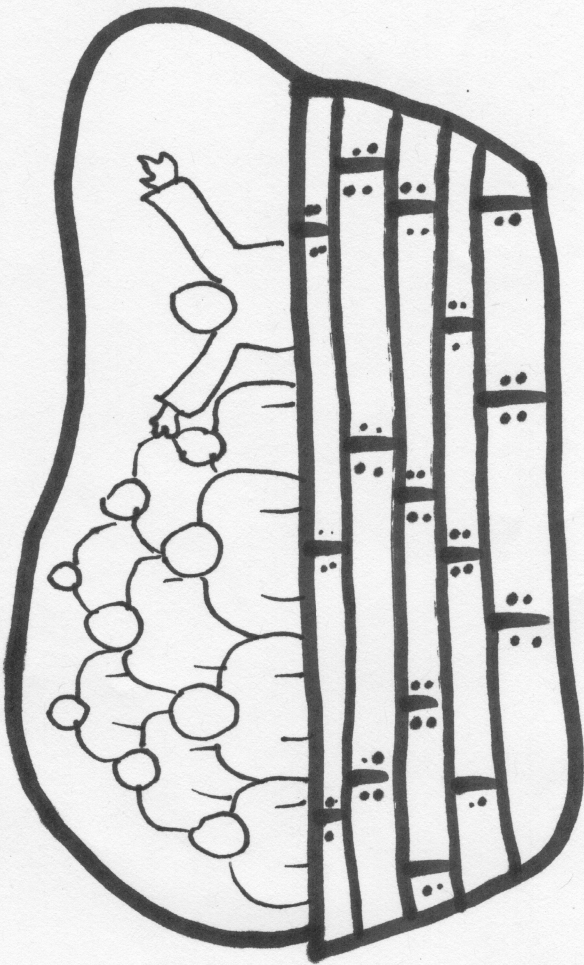

## Colouring Pages

Have your child colour the enclosed pages during the livestream service. We encourage you to post your child's completed coloring page on the Kingsway facebook page. We would love to see their artwork.

## Scavenger Hunt

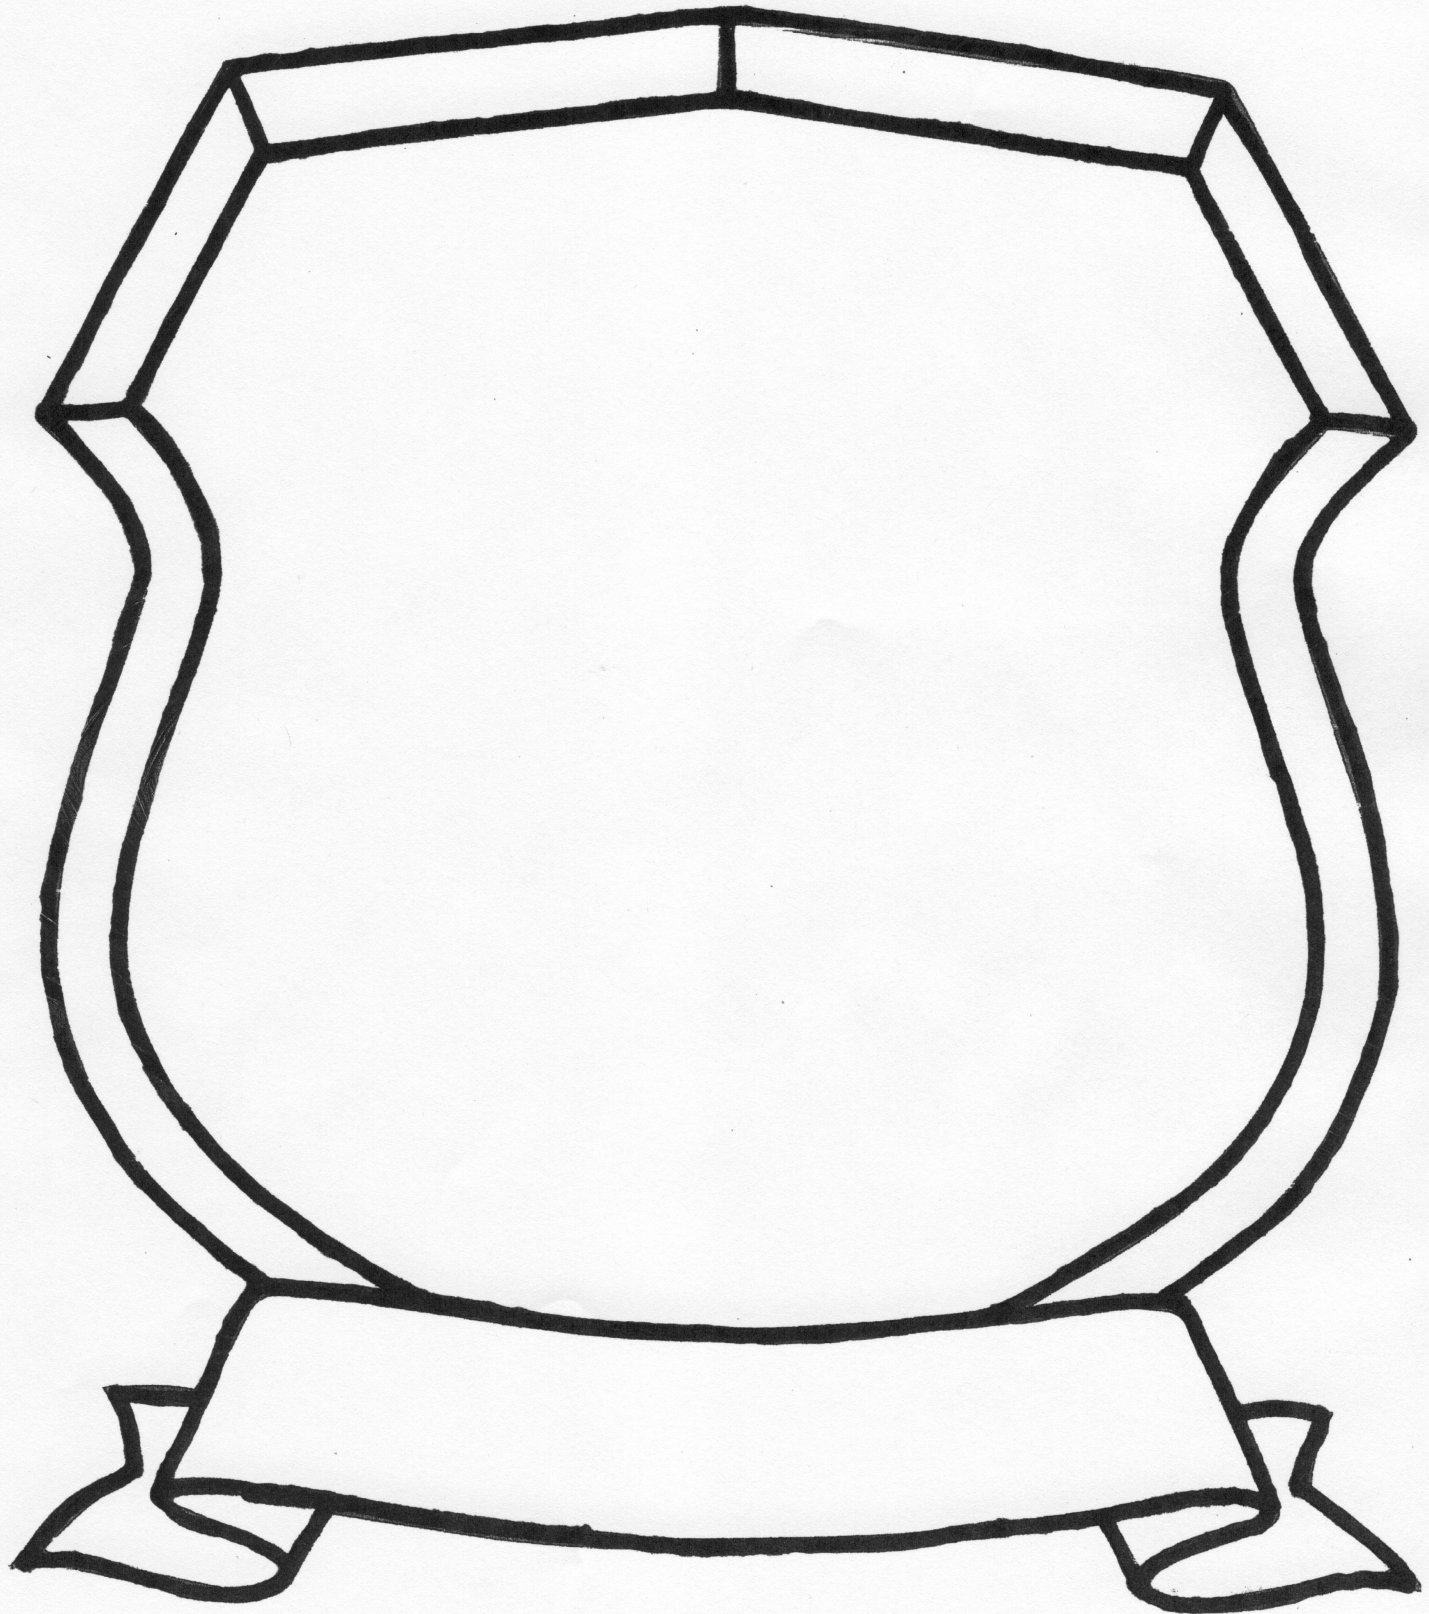

Color then cut out the baby chicks and the mother hen. Hide them around the room and have your child(ren) find them and arrange them in the correct order. **"He shall cover you with his feathers and under His wings you shall find shelter. Psalm 91:4**

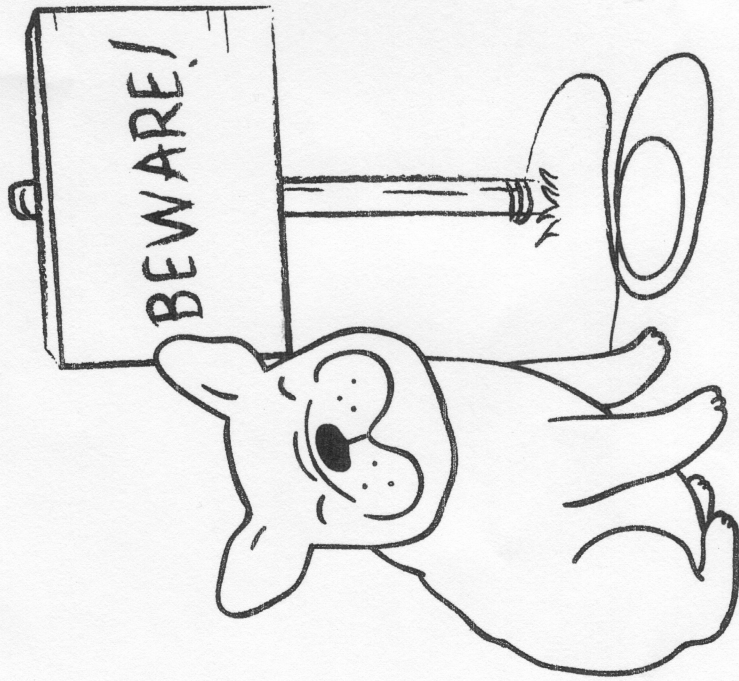

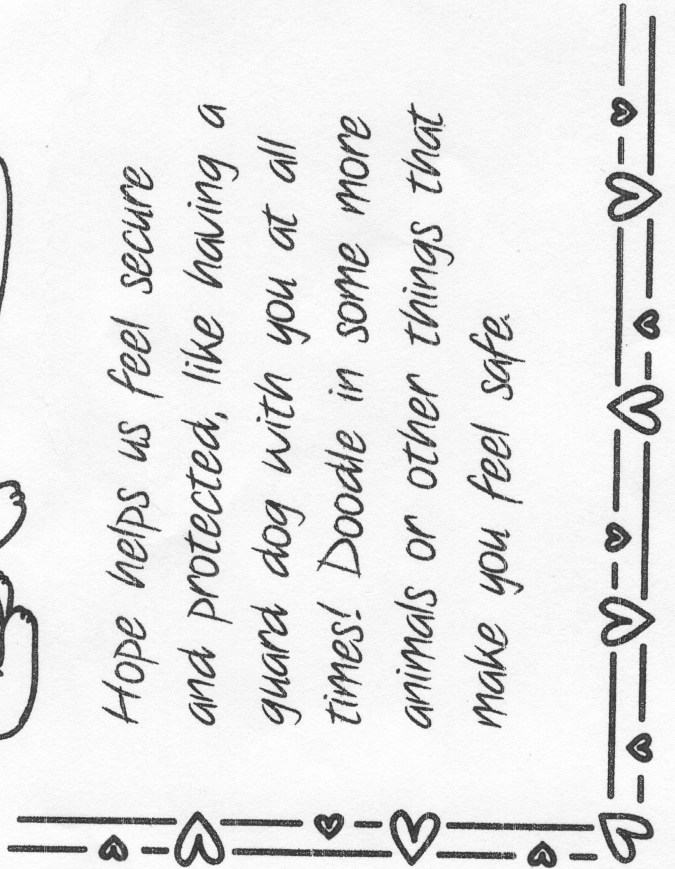

Create your own coat of arms!  
Doodle in patterns, animals, your family—  
whatever gives you strength!

Hope helps us feel secure  
and protected, like having a  
guard dog with you at all  
times! Doodle in some more  
animals or other things that  
make you feel safe.

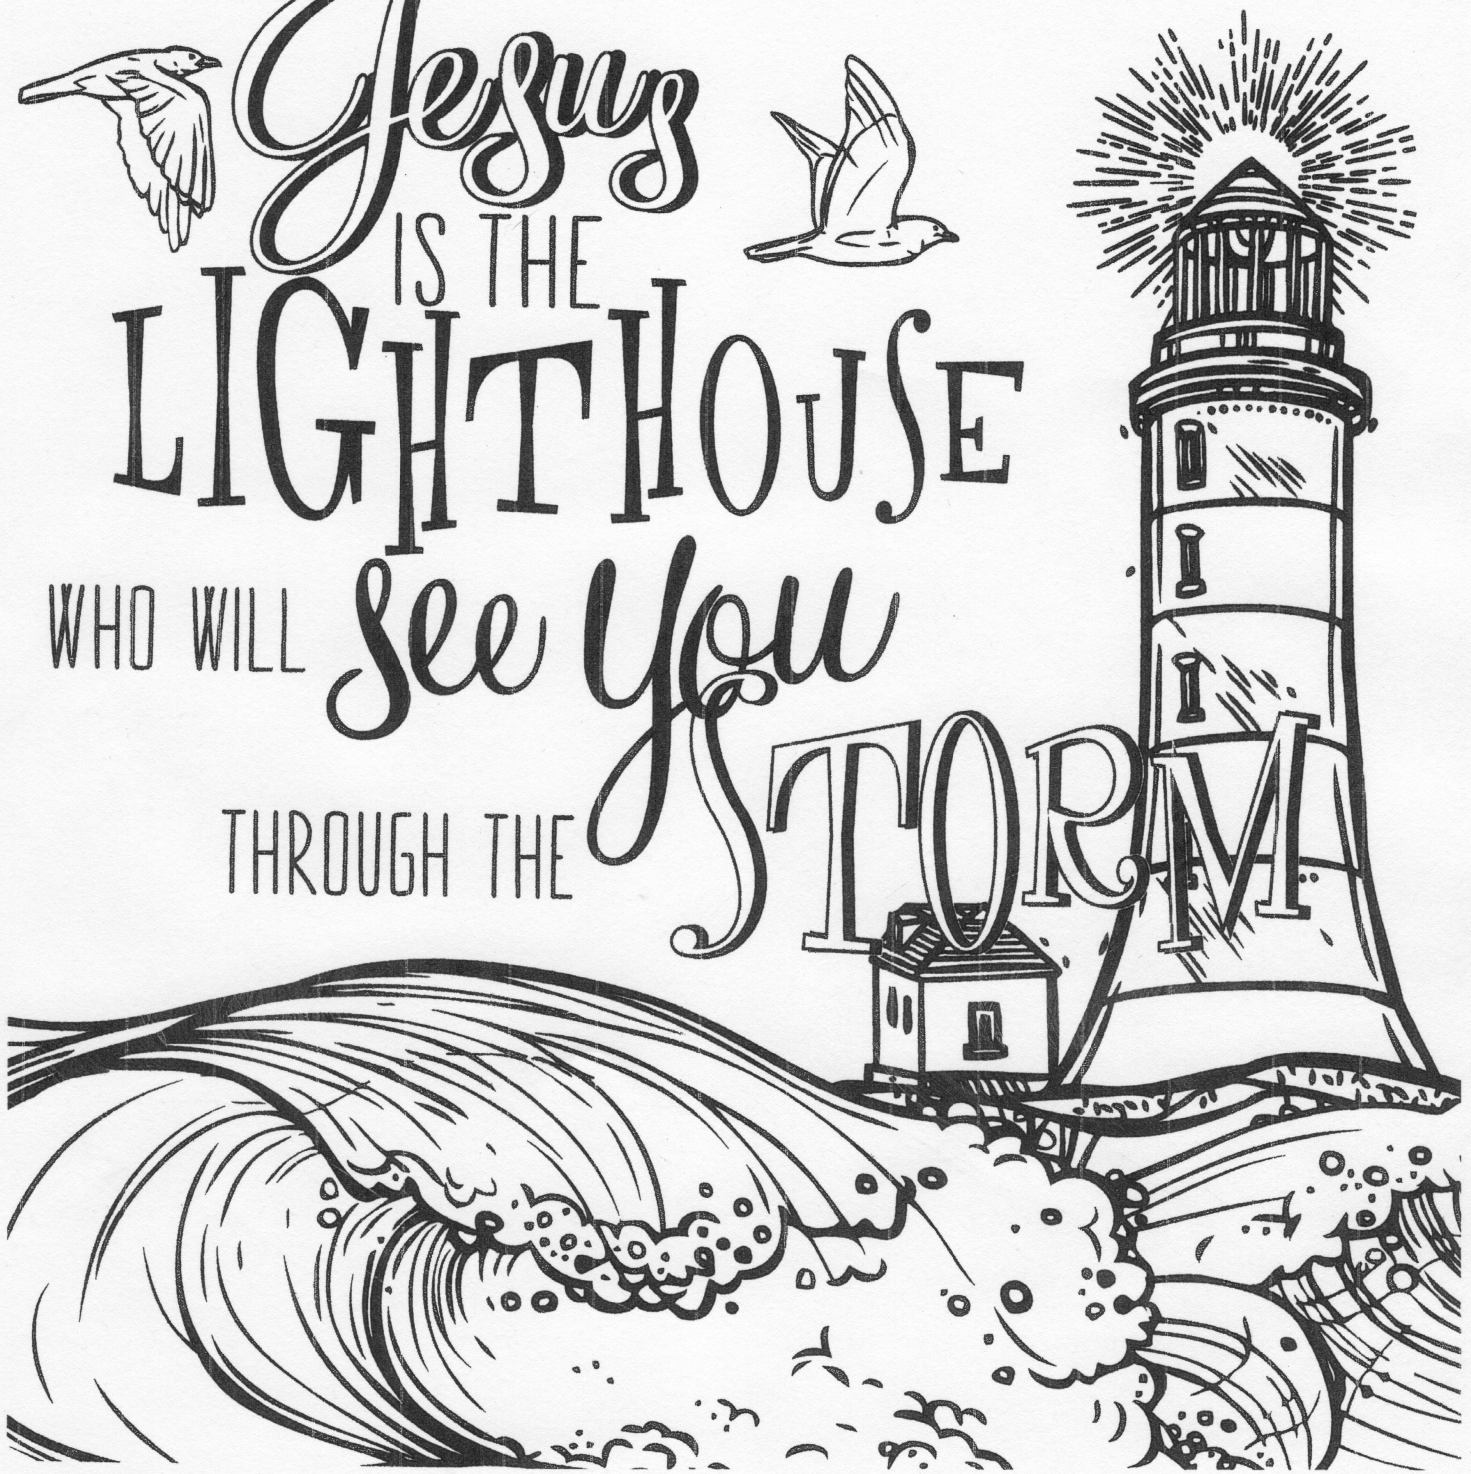

Jesus  
IS THE  
LIGHTHOUSE

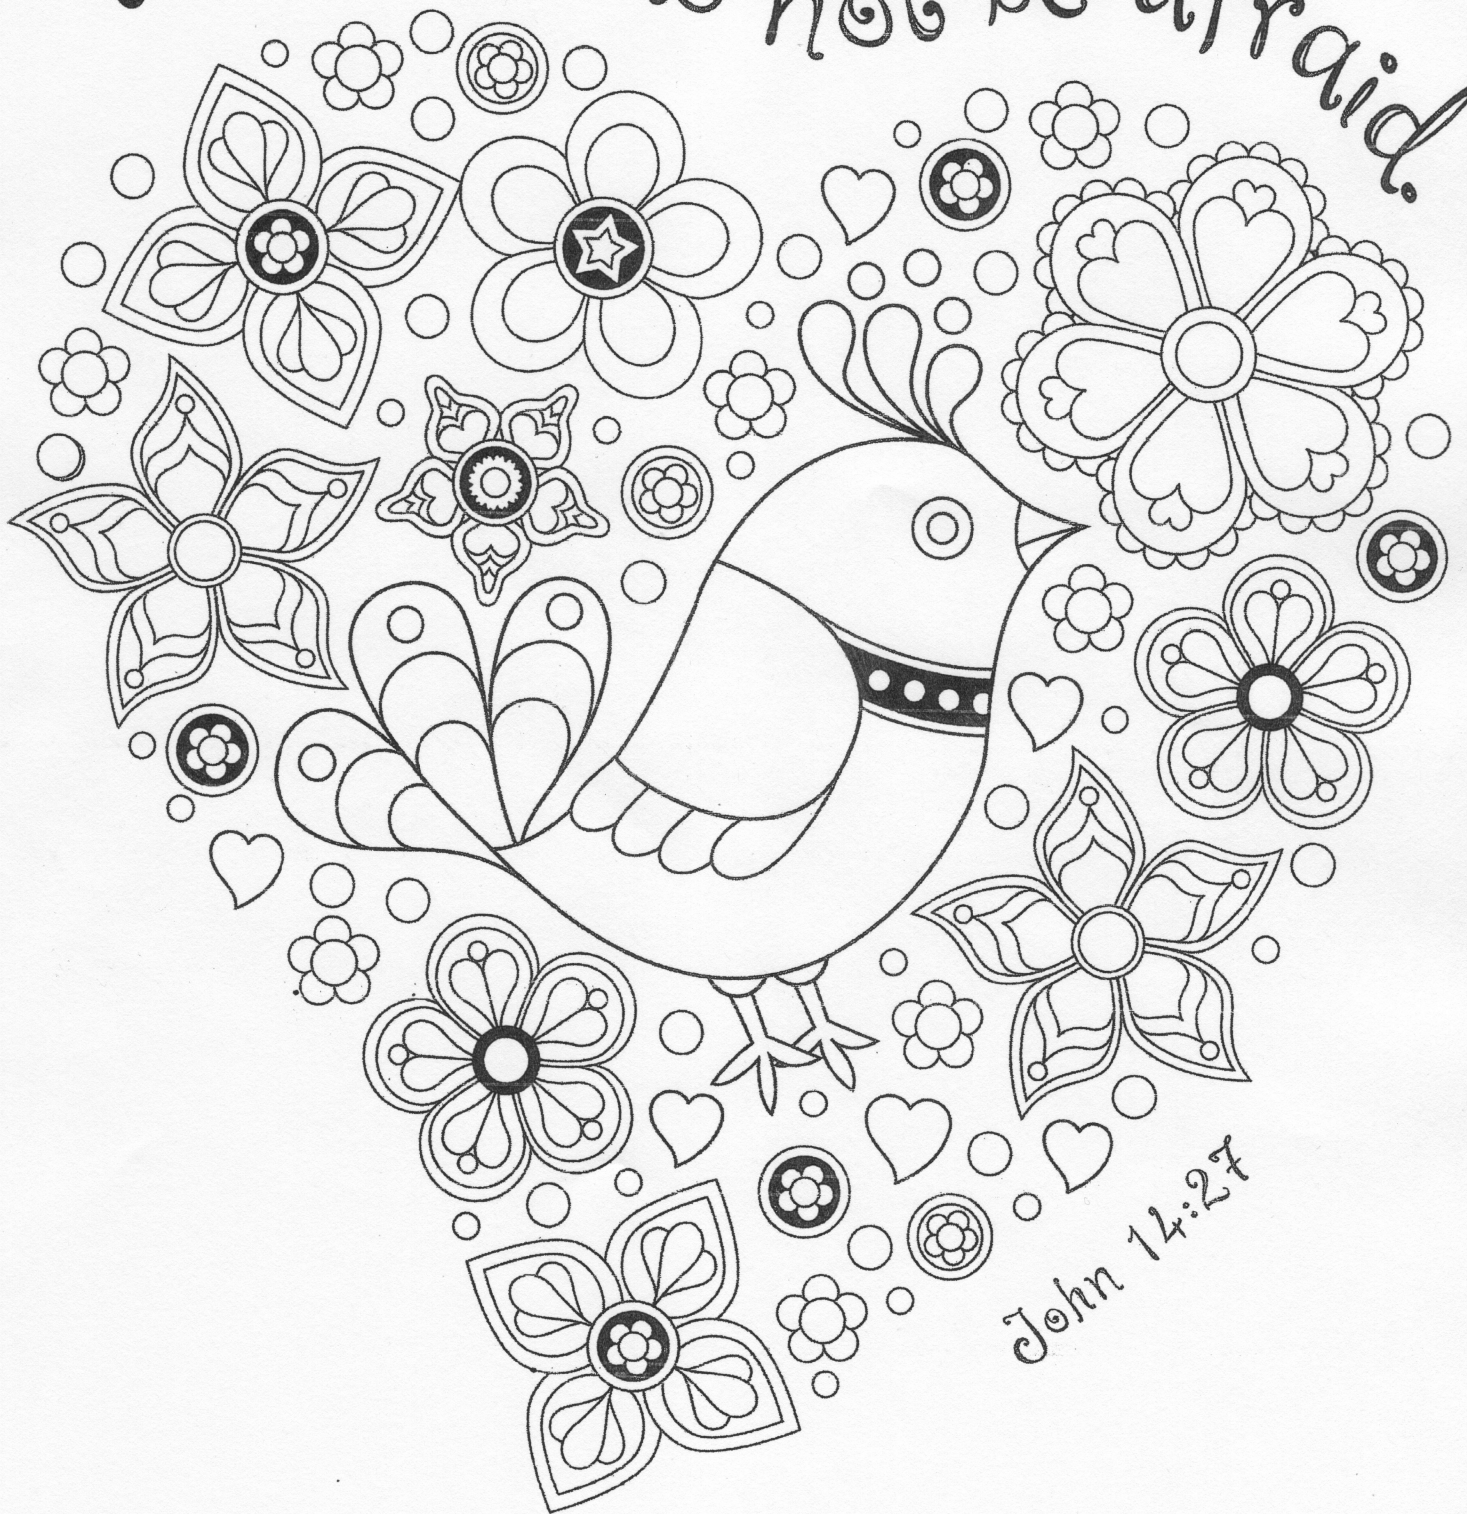

WHO WILL see you

THROUGH THE STORM

Do not let  
your hearts be troubled  
and do not be afraid.

John 14:27

Jesus calmed a storm while He and His disciples were on a boat (Mark 4:35-41)
