Directions:

- Fold pipe cleaner in half to find the middle and twist the pipe cleaner at that spot.
- 2. Fill the pipe cleaner on both sides of the twist with cheerios, leave enough room to twist the two ends together.

MISSION POSSIBLE

Secret Agent

Your mission, should you choose to accept it, is to secretly perform Random Acts of Kindness (RAK). During the next 7 days you will be required to perform Random Acts of Kindness, but you must do it without the recipients knowing it is you.

First pick your targets (those who will receive your kindness) then decide on the kind dead or act to perform for them. Perform your kindness SECRETLY. You will report back on April 4. Do not blow your cover!

List the recipient and the RAK you performed each day below.
