Treasure Hunt Activity

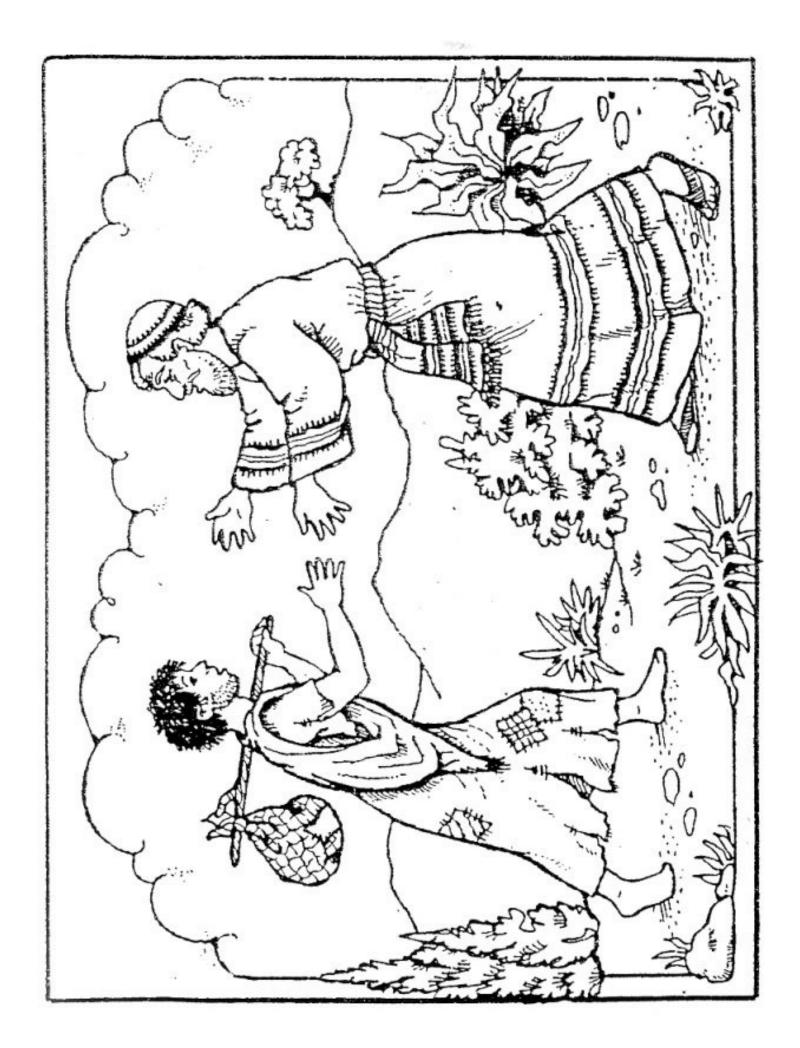

Children love a treasure hunt. Help them hunt for the best treasure of all: God's love for them.

First, cut out a large heart from poster board or construction paper. On the heart, print a Bible verse about God's love, such as John 3:16. Children may decorate the heart with crayons, markers, valentine stickers or other art supplies. When you've completed the heart message, turn it over, draw intersecting lines and cut into puzzle pieces. With your children out of the room, hide the puzzle pieces, then call your children back in, and let the hunt begin. When your kids find all the puzzle pieces, have them reassemble the heart. Review the Bible verse, and explain that, the best treasure of all is Jesus' love. Now think of someone who is lonely or hurting. If the person is a child, put the puzzle pieces in a decorative envelope or bag so the child can enjoy putting the puzzle together, too. If he or she is an adult, glue the pieces to poster board, and deliver the message.

Did you Know?

God knows us better than we know ourselves and He knew what you would be like before you were even born, even before your grandparents were born.

This is a promise from God: if you ask Jesus to be your Savior and Forever Friend, you will be adopted into Abba-Daddy's family—you can become his son or daughter! (See Romans 10:13; Romans 8:15; Galatians 4:6.) God wants you to know him. There's only one way to get to know your Abba-Daddy, and that's by reading his Word; it's his love letter to you.
