

“Those who know your name trust in you, for you, O LORD, do not abandon those who search for you.” Psalm 9:10

- \* Can you name things that identify the beginning of something? ie. Sunrise is the beginning of the day-time.
- \* Can you name things that identify the end of things? ie. Sunset is the end of the daytime
- \* Who is the oldest person you know?
- \* What is the oldest thing on earth you can think of?
- \* What do you think eternity means? Can you name something that will actually last forever?
- \* How old do you think God is?
- \* How long is forever?
- \* Do you think the choices you make today can make a difference for what happens to you in your future?

- ◆ Look up and talk about Genesis 1: 1-2 and Revelations 1:8.
- ◆ Make a timeline of your life...for younger kids they can draw pictures or cut out pictures. Include birthdays, special holidays they remember; anything that is significant to them.
- ◆ Scavenger hunt: Did you know that we have fossils right here in Haldimand/Norfolk County? See if you can find them around your neighbourhood. What's the oldest thing you can find in your own backyard?
- ◆ Make an Eternity bracelet to remind you that God has no beginning and no end. He is forever and ever. Instructions can be found at: [answersingenesis.org/kids/activities/crafts/eternity-circlet/](http://answersingenesis.org/kids/activities/crafts/eternity-circlet/)
- ◆ Celebrate National Middle Child Day today. Did you know that middle children are emotionally stronger, they are often trailblazers, are usually good team players and good listeners, highly devoted and faithful, and are more likely to be successful.
