Object Lesson: Faith Walk

Children will learn a lesson about faith.

Talk About It:

Jesus told the woman who was sick “Your faith has made you well.” What is faith? Faith is believing on someone (or in someone.) Faith is also relying on someone.

Demonstrate It:

Set up a mini-obstacle course around the room or backyard. Now, blindfold a volunteer. Take the volunteer by the arm and steer the blindfolded volunteer around the obstacle course and back to his/her original spot safely. Tell your children that this is what faith is like: trusting and relying upon the other person, especially when you can’t see what’s going on.
