

Faithfulness

What do you think faithfulness means? What words describe faithfulness? How do we show faithfulness to each other? To our families? To our friends and neighbours? To God? How does God show faithfulness to us? If we were to know everything you did this past week; would your life show that you were faithful to your family? To your friends? To God? Do you think God would stop being faithful to you if you were not faithful to Him? What does it mean to have courage? What things can we do that will help our faith in God grow? Who is your favorite adult (besides mom and dad)? Why?
